

Diamond Jubilee Year

Palms Australia Membership

Members are an essential part of achieving our vision of **people reaching beyond every barrier of culture, religion, nationality, gender, class and individualism, to cooperate in achieving a just, sustainable, interdependent and peaceful world free of poverty.** *Members receive full reports of our work and direct the organisation by participating in general meetings and organisational reviews. In the coming year members will nominate and vote for a Board of Directors to take us into our Diamond Jubilee.*
