A Palms' Program Nurturing Harmonious Communities

Without Borders

Drawing on 60 years of preparing people for cross cultural engagement this dynamic program will help your community to:

Embrace Diversity

.... replacing any suspicion and fear of difference, with excitement for learning via the richness of residing cultural traditions;

Build on Strengths

.... using frameworks and activities that will enable all to bring their gifts to inclusive community development;

Grow Community

.... assisting all to rejoice, celebrate their diversity and flourish in growing harmony.

The formation and training supports sensitive engagement with those from whom we differ to assist self-reflection, a change of heart, and increasing solidarity.
