A Palms' Program Nurturing Harmonious Communities

## Without Borders

*Drawing on 60 years of preparing people for cross cultural engagement this dynamic program will help your community to:*

### *Embrace Diversity*

*... replacing any suspicion and fear of difference, with excitement for learning via the richness of residing cultural traditions;*

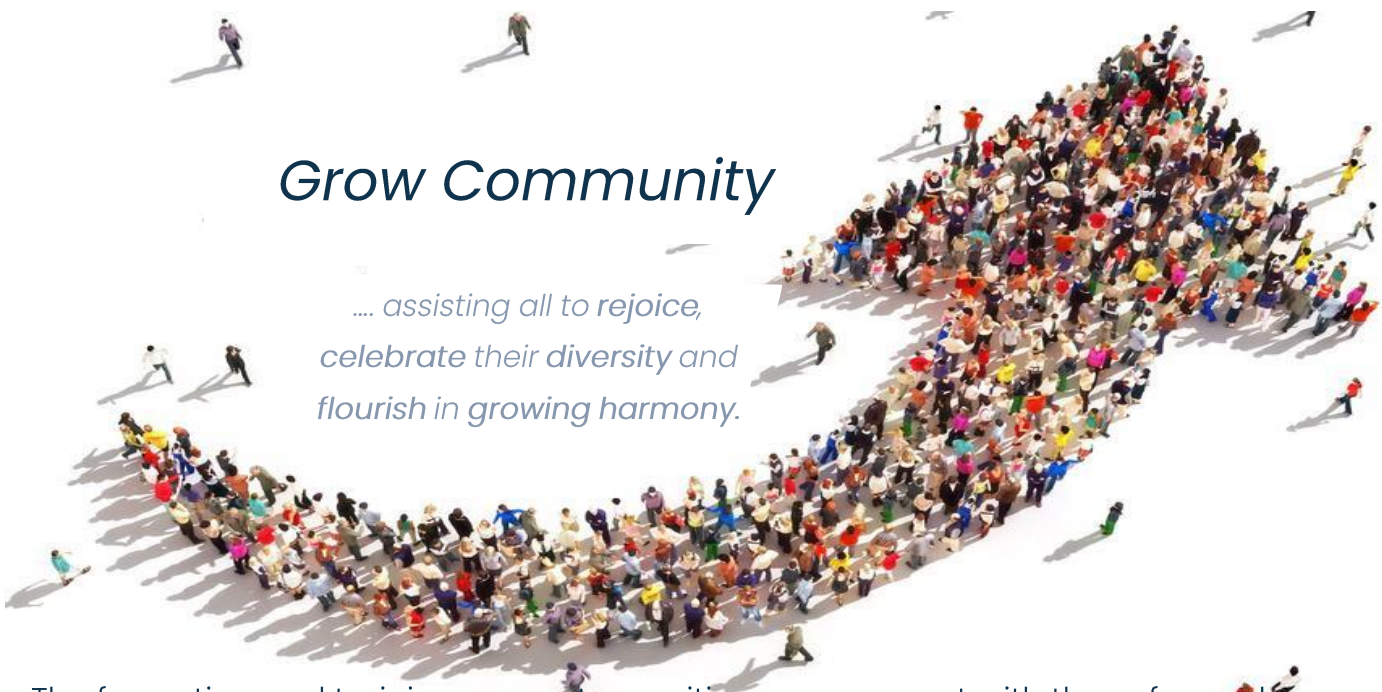

### *Build on Strengths*

*... using frameworks and activities that will enable all to bring their gifts to inclusive community development;*

### *Grow Community*

*... assisting all to rejoice, celebrate their diversity and flourish in growing harmony.*

The formation and training supports sensitive engagement with those from whom we differ to assist self-reflection, a change of heart, and increasing solidarity.
